## SEO PROCESS

## GOOGLE AND FACEBOOK ADS

In Vi Digital Tech We Have worked with a variety of clients, including small businesses and large, multinational corporations. Over the years, We've learned that one of the most important things We can do as a marketing Agency is to find the right marketing platform for our client.

We'll research different platforms, such as Google Ads, Facebook, and Instagram, to understand what works best for our clients and their businesses. We'll then use this research to build marketing campaigns that are tailored to the specific needs of our clients, whether that means generating more leads, improving customer engagement, or increasing sales.
